

Sample Evaluation Form

(Please complete this form. You may staple a business card to the top of the form for the first Section)

Your Name: _____ Date: _____

Company Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Telephone Number: () _____ Fax Number: () _____

Email: _____

Sample Polymer Type: (Example: polystyrene)

Describe any special characteristics of sample here: (i.e. metal complex, derivative etc.)

Current Columns Used: (Description, i.e. PL Mixed C)

Column Length:

Number of columns in the set: (Circle) 1 2 3 4 5 6 > 6

Current Mobile Phase (Examples - THF, 0.1M NaNO₃)

Molecular Weight of the sample:

Special Sample Preparation Procedures: (Circle) None See Below

Describe special procedures here:

Any special Instructions please describe here.

Please attach MSDS if available.

Thank you for sending your sample. Please return this form and your sample to:

Polymer Standards Service-USA, Inc.
